

Swiss Roll Cutting Machine

Almost all the bakers will add cream and jam to the Swiss rolls because it is so delicious!

CHEERSONIC Swiss roll cutting machine is clearly the best way to cut, whether it is creamy sandwich or add jam to the Swiss roll. CHEERSONIC tailor your matching ultrasonic blades for quick handling of Swiss rolls to help you simplify the cutting line. The products can be manually or automatically fed into the machine with a conveyor belt, and after slicing can be manually or automatically removed via a conveyor system. Are you interested? We need your size, welcome to test.
